COSPHADERM® PANTHENOL NATURAL 75

Cosphatec

Cosphaderm® Panthenol natural 75 is the natural variant of the tried-and-tested active ingredient D-panthenol and is available as a 75 %ige solution in water. The dilution makes it easier to handle and incorporate into formulations,
Panthenol is known for its versatility: it supports the skin's natural barrier function, protects against external stress factors and improves hydration, Its soothing and anti-inflammatory properties help to alleviate irritation whilst promoting skin regeneration. Furthermore, panthenol strengthens the skin, hair and nails, making it a highly effective all-round active ingredient for a wide range of applications,
Cosphaderm® Panthenol natural 75 is sustainably sourced and offers exceptional quality that meets the growing demand for effective and environmentally friendly active ingredients for cosmetics,

Benefits:

- Natural D-panthenol from maize
- Ready-to-use 75 per cent solution for simple and efficient formulation
- Research-based active ingredient for skin hydration and repair
- Strengthens hair and nails
