COSPHADERM® PANTHENOL NATURAL 98

Cosphatec

Cosphaderm® Panthenol natural 98 is the natural version of the tried-and-tested active ingredient D-panthenol. Panthenol is known for its versatile benefits and is an indispensable addition to a wide range of formulations, This active ingredient supports the skin's natural barrier and helps to protect it from external stress factors whilst improving moisture retention. Its soothing and anti-inflammatory properties make it an excellent choice for skin irritations, whilst its wound-healing properties support the regeneration and repair of the skin, Its ability to strengthen the skin, hair and nails makes it an ideal all-round active ingredient for any formulation. Cosphaderm® Panthenol natural 98 is of exceptional quality and meets the growing demand for effective and environmentally friendly cosmetic ingredients,

Benefits:

- Natural D-panthenol from maize
- Research-based active ingredient for skin hydration and repair
- Strengthens hair and nails
