

# COSPHAGARD® EXACT

Cosphatec

Cosphagard® Exact is a blend of the preservative phenoxyethanol with ethylhexylglycerin. It displays a broad antimicrobial efficacy spectrum against bacteria, yeasts and moulds. The clear fluid blend is pH-independent and temperature-stable.

- pH-independent
- Alternative to controversially discussed preservatives (parabens, MIT, etc.)
- Blend with full-spectrum antimicrobial protection

16128
